A DAY AT

Saucon Valley Country Club

GOLF SHOP: Please register in the Golf Shop prior to beginning play. Golf Shop merchandise may be purchased with cash, credit card, or charged back to your home club.

GOLF SHOES: Members and their guests are reminded that it is not appropriate to change clothing, including golf shoes, in the Club parking lots. Please utilize the locker room facilities for this purpose. This policy will be strictly enforced.

“Soft-Spikes,” approved by SVCC, are required for play. Metal and ceramic spike are strictly prohibited. Approved spikes are available in each locker room. Appropriate footwear includes those that have soft-spikes or dimpled soles and flat-soled sneakers.

LOCKER SERVICE: A full service Locker Room is available for your convenience.

CADDIES: Caddie fees are determined by the Caddie’s experience level:

- Novice (Green Cap) $35 - $45
- Intermediate (Navy Cap) $50 - $60
- Honor (Gold Cap) $60 - $70

Per Club policy, all unaccompanied guests are required to employ a caddie/forecaddie (if all are using golf cars) for their round. Caddies must be paid at the conclusion of the round.

PACE OF PLAY: All players are expected to maintain an acceptable pace of play on all courses. Members are responsible for their guests’ pace of play. A foursome taking longer than four hours to play an 18-hole round on any of the three championship courses will be subject to a reprimand by the Golf Committee.

INCLEMENT WEATHER: The Club utilizes an automatic lightning detection system (Strike Guard). The warning is a 10 second continuous siren. The system will continue to search for lightning strikes. If no strikes occur, the all clear siren will sound (10 continuous beeps). Please note that once the alarm sounds you must discontinue play immediately and seek shelter.

CELL PHONES: Guests are reminded that the use of cellular phones is not allowed in public areas of Saucon Valley Country Club. This includes all dining areas, parking areas, golf courses, practice areas, racquet venues, and lobbies. Use of cell phones in the parking areas will be restricted to the privacy of an enclosed automobile only. Calls may be made from the locker room only when absolutely necessary and should be limited in duration so as not to disturb
other members and guests. Nonetheless, cell phones may be used in the event of a medical emergency or an incident involving a breach of the Club’s security.
